Priming Optimists for Action

We believe that together, we can solve the world's biggest challenges.

THE EXPERIENCE

RTRX redefines the conference experience. Be immersed in an unexpected mix of leadership, connection, and learning.

With attendees from startups to Fortune 500 companies and across 28 states, we mobilize businesses and individuals to create a better, brighter future through a focus on leadership, innovation and well-being.

RTRX brings together the inherently curious—people who want to learn, build relationships, and improve their life and the world around them.

RTRX proceeds benefit Pelotonia's innovative cancer research with more than \$7M invested to date.

ABOUT RTRX

RTRX is driven by a unique partnership between Rockbridge, Pelotonia and the Columbus Partnership. Our shared commitment to innovation, leadership, and challenging the status quo enables us to make a powerful impact on individuals and businesses, and the future of innovative cancer research.

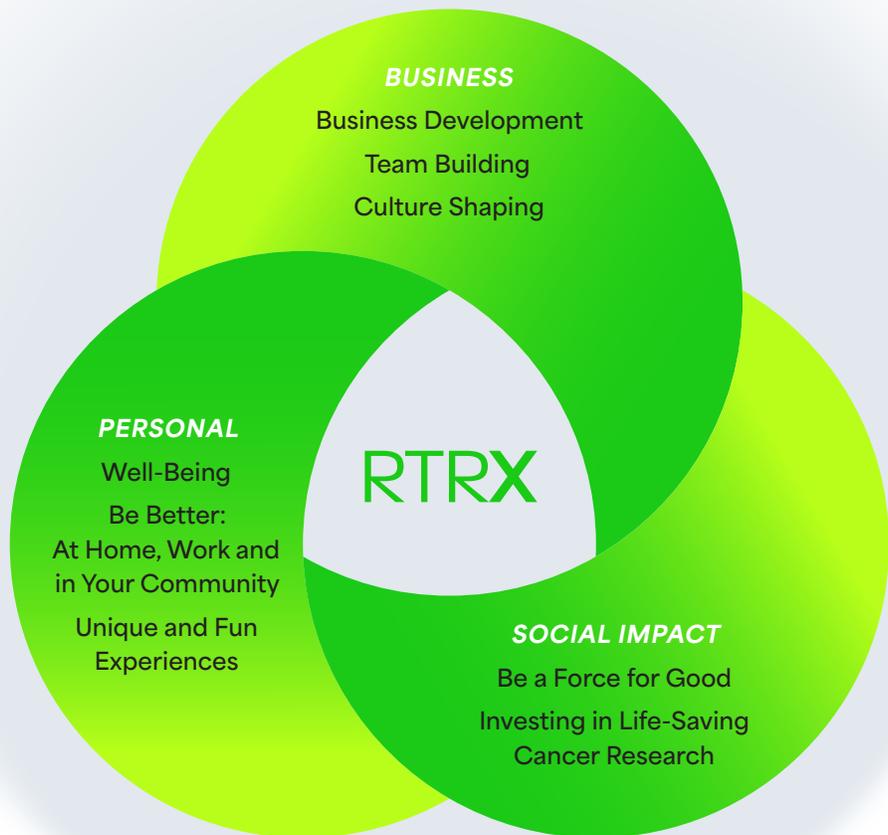

Created by Rockbridge Co-Founder & CEO Jimmy Merkel in 2012, RTRX began as a hospitality industry leadership event. Under Jimmy's leadership, the experience grew exponentially and expanded to include additional industries and public and private sector businesses.

Leverage the multi-day learning and development experience to grow your business, your team and your culture.

Learn from world-class speakers, participate in cutting-edge thought leadership workshops, and gain exposure to other businesses and industries. Select opportunities aligned with your brand to create a custom experience for your team.
